We are moving!

Mid America Health, Inc. is moving its home office the first week of December. MAH is relocating all home office staff to a new location in Greenwood.

All our phone and fax numbers will remain the same as well as the email addresses. Our new office will be located at:
1499 Windhorst Way
Suite 100
Greenwood, IN 46143.

More information will be posted on the website as we near the move date. Our field staff should note minimal disruptions, if any. If you have any questions or concerns, please contact Cassandra.

The redesigned MAH website— www.mahweb.com

While working on the newsletter, we are also giving the website a face-lift. Log on and tell us what you think. This new site will be designed to be more user friendly and allow our employees to access the forms they need and use most frequently.

In addition to the website redesign, we are currently working on a web-based time-keeping system. More information will be made available on this exciting project as we begin to implement the system. More forms and information will also be added to the website as it

continues to be developed. Future newsletters will keep you informed of website updates. If you have an idea, suggestion or opinion on the website—we would love to hear from you. Email Cassandra at cwuensch@mahweb.com and let her know.
