Mid America Health, Inc. Announces Corporate Relocation

Mid America Health, Inc. is pleased to announce it will be relocating its corporate headquarters from Indianapolis to Greenwood, Indiana in December 2008.

Recognized in September by the Indianapolis Business Journal as Central Indiana's 16th fastest-growing privately held company, Mid America Health, Inc. is relocating its corporate headquarters to Greenwood, IN.

Mid America Health, Inc. (MAH) is the established industry leader in the delivery of correctional dental healthcare programs for state and local correctional facilities and the United States Military throughout our nation.

A partner for both professionals and government agencies; where professionals can practice their profession and agencies secure cost containment and high quality dental programs that work.
